

Procedure

- 1) By the end of the closing date, you submit a brief project proposal to DEG.
- 2) After the closing date, DEG will assess eligibility of your project proposal for PPP according to defined assessment criteria and will make a first selection.
- 3) Four weeks after closing date at the latest you will be informed on whether or not your project proposal will be included in the review.
- 4) In case of a positive decision, the company and DEG will jointly develop a comprehensive project concept on the basis of the project proposal. In addition, the company submits a cost calculation plus schedule as well as balance sheets of the past three years.
- 5) After positive review, an agreement is concluded between DEG and the company.
- 6) After contract signing, the implementation phase of the PPP project starts.

For relevant form for the project proposal and information on the assessment criteria, please see our website on: **www.deginvest.de**.

Please send your project proposal to the following e-mail address under consideration of the relevant closing date: **ppp@deginvest.de**

Under developPPP.de, each project can only be realised with one of the implementation organisations.

DEG would like to point out that the PPP funds provided are public funds from the federal budget.

There is no legal claim to a financing under this Programme.
